

Dear Local Business Owner,

We hope this message finds you well. On behalf of the River Ridge High School Band Program and the Band Boosters, we are reaching out to invite your business to become a valued community sponsor for the upcoming school year.

The River Ridge Band Program serves over 75 dedicated student musicians who commit countless hours to rehearsals, performances, and competitions. Our mission is to nurture their musical growth while building character, discipline, teamwork, and school pride. Students in our program perform at school and community events, parades, football games, and participate in competitive events at the regional and state levels.

However, providing these enriching opportunities requires significant funding—covering expenses such as instrument maintenance, travel, uniform cleaning, music licensing, and instructional clinics. With increasing limitations in public school budgets, we rely on the generosity of community partners like you to help us continue offering high-quality experiences.

To support these efforts, we've developed a sponsorship program with multiple giving levels—each offering meaningful benefits and recognition for your business, including visibility through concert programs, social media, our website, and at public events. Your support not only sustains our program but also demonstrates a shared commitment to youth, the arts, and education in our community.

Our programs are reaching the highest awards in Marching Band, Indoor Percussion, Winter Guard, and individual honors in Solo & Ensemble at the local and state levels.

We would be honored to share our sponsorship plan with you and discuss how your partnership can make a lasting impact. If you are interested in learning more, please contact us at riverridgehsbandboosters@gmail.com. We are happy to answer any questions or set up a time to speak further.

Thank you for considering our request. Together, we can inspire and empower the next generation of musicians.

Warm regards,

River Ridge High School Band Boosters
